

PRAYER FOR LIFE

Heavenly Father, we come before you humbled and placing the work of Essential Pregnancy Services in your hands.

We ask that you use our gifts and talents to extend compassionate care and education to women who are vulnerable to abortion and to those desiring an abortion when they make their way to EPS for help. Inspire in them the courage to choose life-affirming options for their unborn children.

We ask for the women and men visiting EPS for parenting classes, community support and resources to feel loved and cared for by staff and volunteers. Please equip these parents with your grace and wisdom to lead healthy and joyful lives.

We also ask for you to heal and extend your mercy upon those who are post-abortive. Allow all mothers and fathers who have experienced the loss of a child through abortion, to receive healing and lasting peace through you. Help those who are suffering to know that, with you, they are never alone.

We ask this through Jesus Christ, Our Lord, Amen.
