A TRIBUTE IN HER HONOR

Essential Pregnancy Services has the privilege of sharing the miracle of motherhood with women seeking refuge and guidance in times of crisis and uncertainty. You've helped make this possible since 1973.

In support of expectant women and parenting families, you're invited to honor or remember a woman who has been an important figure in your life. Your Mother's Day tribute enables EPS to gift women essential help in a safe and confidential place, at no cost to them, so they can feel confident choosing life for their babies.

Donations to EPS provide vital services such as:
