

♥eps FACT SHEET

about us

WE ARE a 501(c)(3) non-profit organization providing life-affirming support to the whole woman and parenting families. All services are free and confidential.

WE ARE a life-affirming organization providing compassionate care and comprehensive education so our clients can make informed choices about their pregnancy.

WE HAVE three clinic locations in the Omaha metro - Benson, Bellevue and Maple Village. Clinic hours can be found at www.friendsofeps.org.

WE OFFER pregnancy testing, ultrasound, STI screening and treatment, professional counseling, educational classes, material assistance, and resource information.

WE EMPLOY highly-qualified, professional individuals, including Registered Nurses, Licensed Practical Nurse, Licensed Mental Health Practitioners, and Licensed Clinical Social Workers. Staff and volunteers are required to uphold high ethical standards of care.

WE PROVIDE every woman who tests positive for pregnancy research-based options education regarding life-affirming choices, which includes parenting and adoption, as well as education on abortion and the impact it can have on her health and the life of her unborn child.
