# GLOW

## *our mission*

*Essential Pregnancy Services provides cost-free, life-affirming, holistic services to women facing unplanned and under-supported pregnancies.*

### WHY FUNDS ARE NEEDED

GLOW is Essential Pregnancy Services' largest fundraiser of the year. Funds raised from this event allow EPS to act with confidence in our plans to serve more mothers and babies in need. And your gift is vital. Your passion for our mission inspires others to support women at risk for abortion.

### HOW FUNDS ARE UTILIZED

Your gift to EPS has the power to transform lives. Our supportive community, dedicated to protecting and nurturing both mother and child, makes EPS' life-saving care possible. Here's what your generosity can do:

*\$100*

*provides three women in need with life-affirming pregnancy options education, delivered by trained EPS nurses.*

*\$500*

*supports one day's pregnancy testing and ultrasound services at an EPS clinic.*

*\$1,000*

*underwrites the EPS Helpline, where abortion-vulnerable women have their first contact with our caring EPS staff.*

*\$2,500*

*funds all three EPS locations for one day, providing women and babies in need with compassionate support and practical material aid.*

## COLLECTING DONATIONS

### INSPIRING GUESTS TO GIVE

As you participate in our virtual GLOW event this Sunday, March 21, 2021, please encourage your watch party guests to donate to EPS either online or by collecting their donation envelope and mailing it back to EPS. Share this fact sheet so they can understand the importance of their contribution to the mission and purpose of EPS. Your help collecting donations is vital to our fundraising success. Thank you for your advocacy!

### MAKE A DONATION ONLINE
